Academic Milestones

Seven residents successfully cleared their final university exams, marking a significant step in their surgical journey. Their perseverance and commitment to learning have been truly commendable.

Community Service Initiatives

Beyond academics, our department remains committed to serving society. In a recent Blood Donation Drive, Dr.Krishnanand (head of department), ten residents and other faculty members stepped forward to donate blood, making a direct impact on the lives of those in need. Their selfless act reflects the spirit of compassion that we strive to nurture alongside surgical skills.
