# ADORABLE AUGUST

## Visit To CIPET

On August 2, 2024, the BBA BIA students of LNCT had an enriching industrial visit to the Central Institute of Petrochemicals Engineering & Technology (CIPET) CSTS, Bhopal. This visit was a fantastic opportunity for our students to gain practical insights into the world of plastic products and manufacturing processes.

The students saw a wide range of plastic products, highlighting their versatility in different industries. They got an up-close look at the advanced machinery used in manufacturing, which made their classroom lessons come alive. The hosts at CIPET CSTS shared various samples, giving a hands-on understanding of different plastics and their uses. After the tour, students enjoyed refreshments, chatting about their experiences and networking with peers and professionals.

Such industrial visits are an integral part of our curriculum, aiming to bridge the gap between theoretical knowledge and practical experience. We extend our heartfelt thanks to CIPET CSTS, Bhopal for hosting us and providing such a valuable learning experience. The students returned with a wealth of knowledge and a renewed enthusiasm for their studies and future careers in the industry.

The chief guests for the event were Mr. Rishabh Mishra, a growth partner at Winzera Pvt. Ltd. in Noida, and Mr. Yogendra Shrivastav, a business development manager at the same company. Mr. Mishra kicked off the workshop by discussing the numerous business opportunities available in today's market, emphasizing the importance of entrepreneurship in driving economic growth. Following his presentation, Mr. Shrivastav took the stage to elaborate on the benefits of Winzera's products and shared insights on how students could leverage these opportunities for their entrepreneurial endeavors.

The workshop aimed to inspire and equip students with the knowledge necessary to succeed in the business world, motivating many to consider entrepreneurship as a viable career path.

# Marketing, Branding & Advertising Workshop

LNCT College organized an intensive "Marketing, Branding & Advertising" workshop for MBA 3rd semester students, led by industry expert Mr. Rajeev Mishra, Founder & Chief Creative Officer at Mystique7. This hands-on, application-based workshop is designed to give students practical exposure to the world of marketing, branding, and advertising. Covering key aspects such as business strategy, creative communication, and advertising, the workshop equips participants with essential skills for the ever-evolving marketing landscape.

Spanning 40 hours across 13 working days, the workshop provided students with in-depth learning divided into four major categories. Each day, students were engaged in activities that showcased real-world marketing challenges, from formulating marketing strategies to designing creative campaigns. The emphasis on project-based learning, group work, and practical assignments ensures that students not only understand theoretical concepts but also gain hands-on experience in brand building, media planning, and promotional activities.

Divided into groups of 10-12 students, participants designed logos and created advertisements for simulated businesses, fostering teamwork and creative collaboration. By the end of the workshop, students presented their final projects, showcasing their skills in developing and executing a comprehensive marketing and advertising strategy. The final presentation demonstrated their understanding of the subject and their ability to apply innovative solutions to real-world marketing scenarios.
