A Message from the Vice Chancellor Desk

Let me welcome you to our Fold!

As we welcome you, the future leaders and productive citizens of the world, I would like to stress on our mission statement of grooming young minds and hearts as the pillar of advancement of a nation and hope of the future.

Our institution was formed by a team of Service-oriented individuals with the aim to promote education and culture in all aspects in order to achieve and fulfill the mission statement that we believe in.

In whatever career a student may choose to take, hard work and discipline are the sure roads towards success. Our educational institutions, we will support students in achieving their golden ambitions and also ensure that their stay in the college is meaningful and fruitful to the fullest of extent.

As the Vice-Chancellor of LNCT Group of Colleges, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform those dreams to reality.

I wish you all the best for your future endeavours !!

Dr. N.K. Thapak

Vice Chancellor

LNCT University

A Message From The Executive Director Desk

Albert Einstein said, "Education is not about learning of facts but training young minds to think." There is a big difference between cramming up facts and learning them so that they can be applied in productive ways. At LNCT Group, we try to work towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence.

Having said that, I sincerely thank the editorial staff and the advisory committee members for their dedication towards creating the management newsletter. "Prabandhan". The newsletter consistently gives stakeholders a stage on which they can showcase their abilities and accomplishments.

I congratulate all ambitious students on the thrilling commencement to their career at LNCT Group. I wish you All the very best!

Dr. Shweta Chouksey

Executive Director

LNCT Group

Lakshmi Narain College Of Technology - MBA

A Message From TED Head

The learnings are enhancing with each edition of the newsletter, Being the lead of the team, I am learning to manage a dynamic and inclusive team, full of multidimensional talent. Every day comes with a new learning. As the saying goes “ Team Work makes the dream work”. At the Prabandhan TED team, we have a committed team and the team is continuously responsible in achieving the vision and mission of the TED and is being personally guided by me. I am assured and confident that with the sincere efforts of our advisory board, our dedicated faculty mentors and with the cooperation of the TED members, we will continue to flourish and thread a spotless path to excellence and eminence of newsletter editions hereafter. I take this opportunity to express my gratitude that every effort is made to improve the existing best services to bring out the best for the welfare of our institution and growth of students.

Prachi Yadav
Head Of The Editorial Desk

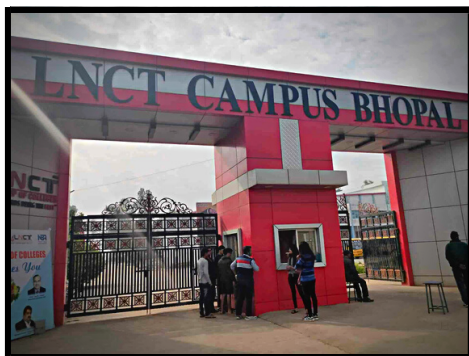

A Message From TED Head

On behalf of our editorial team, I would like to offer a word of thanks to our readers, contributors, authors, editors and anonymous reviewers, all of whom have volunteered to contribute to the success of this newsletter and also for its mission to improve its quality with each new edition. We are publishing our newsletter quarterly with a particular emphasis on quality and better outcomes of reader experience.

Our magazine- “Prabandhan” represents the ethos and ambience of LNCT’s culture. I would like to reiterate that the challenge before editorial team was to maintain and enhance its position as a team which excels in its holistic editing skills .We are indeed proud to claim that based on the dedicated efforts of the advisory board, faculty mentors, and student members, we bring you this issue of newsletter. With the outstanding advisory and enthusiastic team ,we are on a sound footing.

✦✦ Jingles Of July ✦✦

Inauguration of BMA - 12th July

Management of Commerce-MBA has organised an inaugural event of BMA(Bhopal Management Association) students chapter 1. The main focus was given on startups and its culture finding pace in India. The association introduced students about the startup culture & how their growth in India. Startups in India will definitely help in growth of economy & as the management students were present so it was but obvious to discuss over economic condition as well as improvement of the students for a better future, after end the association even urged the students to be part of the association for the betterment of the society & as many of them realised its value they got themselves registered with the association.

Open House - Academics and Industry Interface - 13th July

Lakshmi Narain College of Technology-MBA organized *"Open House-Academics and Industry Interface"* for the development of freshers by providing them all theoretical and practical knowledge. The main motto of this event was "the program which will bridge the gap between graduation and management post-graduation". The dignitaries present were (Dr. Manisha Anand, Dr. Mahendra Joshi, Mr.Rajeev Mishra, Rashmi Goyal, Dr. Rupali Bajaj, Mr. Vivek Jain) including Director of Training & Placement-LNCT Group (Dr. Anuj Garg) who gave their experienced knowledge. The enthusiasm they were having within and what they have shared is worthy of appreciation.

✦ ✦ Sparkling September ✦ ✦

Orientation Programme - 3rd Sep.

School of management and commerce had organized an "ORIENTATION PROGRAMME" from 1st September to 3rd September 2022 for the students of LNCTU MBA DAV, LNCTU MBA, BBA, BBA-BIA, B.COM and B.com RMEC. Orientation started with Saraswati Vandana followed by speeches by honorable dignitaries who welcomed the new students and gave them insight about college rules and regulations. Several cultural programs were also organized like singing, dancing & many other activities were organized by BBA, B.com and MBA students on that day.

On day two, all new students were introduced to the committees by the committee heads like to the 1. Academic Council, 2. Student Activity Council, 3. Research and Development Council, 4. Internal Quality Assurance Council, 5. Corporate Resource Management Council and 6. Entrepreneurship Development Council. Afterwards motivational movie was shown to them which was followed by few dance and singing performances by senior students.

Teacher's Day - 5th September

Management of Commerce-MBA organized Teacher's Day program on 5th of September. Students enthusiastically presented dance, singing and even organised interactive activities to make teachers feel special. Ayush Shrivastava student of MBA took small interactive session which can also be called as interview of management Director Dr. Arvind Singh related to his educational life and background and his glorious journey till now. At the end students presented small gifts as a token of appreciation and love to their faculties.

BMA - Vision Biz Net Work— 12th Sep.

Vision Biz Network in association with Bhopal Management Association has launched its corporate talk show “Talks Vision”. In the inaugural they had invited Shri Nilesh Shah who shared his knowledge on India 5.0 (India 5 trillion dollar economy) on 12th September 2022. In this talk show he shared copious amount of knowledge and information concerning the economy like what was the impact of Ukraine- Russia war on our economy, impact on oil, inflation due to increased printing of money, few case studies about electricity bill in US, supermarkets throwing away expiry labels from food were discussed. Then he told that 6 Indian cities are in fastest growing cities in world. Inflation rate of US is 5% more than Indian inflation, rupees has depreciated in terms of dollar but appreciated in euro. He also showed the growth in India’s development from 2014-2021 in different sectors like in 2014 India was 10th position in terms of GDP which came to 6th position in 2021 and 5th position in 2022. Similarly there were so many things that he had covered very precisely in 1 hour that was really beneficial session as it gave everyone good knowledge regarding the economy. It is a really good initiative that BMA had started this type of session which was very important to get updated regarding what is going in our country and around the globe.

Awakening Of The Modern Banking- 16th to 17th Sep.

An interactive session with financial experts was held from 16 September to 17 September 2022, M.P.K Agarwal- AGM Punjab Bank and Mr. D.K Gupta, AGM Punjab bank were orators of this session. It was really helpful session to all banking or finance students as the orators provided the basic and important knowledge regarding banking. The session started by welcoming our esteemed guest speaker who discussed about the history of banking as to how it was in the past and how much it has changed now. He also covered the challenges faced by Indian Banking System, in which he covered about the changes in domestic and global levels emergence of new banks, new financial institutions, banking system and role of

RBI in financial system about regulators SEBI, RBI, IRDAI, types of customers and types of accounts role of NYC, financial inclusion jandhan account, loans and advance types, retail loans example housing, education, vehicle, priority sector loans, MSME, MUDRA loans and role of CIBIL. Analysis of the balance sheet and ratio analysis, NPA account and action points of recovery, foreign exchange transactions, and technology in bank were also discussed.

• All India Inter University Drop Roball Championship

LNCT University performed blazingly in the All India Inter University Drop Roball Championship organised from 4th to 9th July 2022 at Maharishi Dayanand University Rohtak, acquiring 12 Gold medals and 6 silver medals in the men triple and women triple categories, ranking at 2nd Position among the 43 Universities that participated . The winners were honoured in the LNCT auditorium by Professor Sunil Kumar Gupta ,Vice Chancellor RGPV , Dr. Anupam Chouksey, Chancellor LNCT University and Dr. V.K. Sahu .

• 22 students of LNCTGroup got gold medal and 522 got their degree

Convocation gives an opportunity to bring students and teachers on one platform. After getting the degree and title, every person makes a lot of effort for the better version of himself, but very few people do something for the society. "Along with the responsibility of the family, take the responsibility of the society as well, it gives self-satisfaction",said His excellency Governor Mangubhai Patel while speaking at the second convocation of LNCT University.Gold medals were awarded to 22 students by the governor, PhD degrees to 35 students and degrees in different subjects to 522 students. South Indian film superstar Suman Talwar was honored with an honorary title at the ceremony. Higher Education Minister Dr. Mohan Yadav was the chief guest at the convocation.

Congratulations - Ranjita Sinha

A student of BPES LNCT University, Ranjita Sinha won silver medal in All India Karate Championships 2022 Bilaspur . It is a matter of great pride for the university as Ranjita brought laurels not only to the LNCT group but also to the state by winning the Karate Federation championship.The LNCT family congratulates Ranjita and wishes her a bright future.

"Discipline is the bridge between goals and accomplishment". —Dr. Arvind Singh
