

Research & Development Cell, LNCT University, Bhopal

In Collaboration With

IMPARC (Ignited Minds Professional & Academic Research Consortium)

Under the aegis of IQAC
Organises

Online Three-Days Faculty Development Programme (FDP) on **RESEARCH PUBLICATION & ETHICS**

20–22 August 2026 | 3:00 – 4:00 PM
Mode: Online (ZOOM)

ABOUT THE PROGRAMME

Research excellence is not limited to generating new knowledge—it also requires responsibility, integrity, transparency, and ethical decision-making at every stage of the research process.

This 3-Day Online Faculty Development Programme brings together distinguished academic experts to provide focused insights into research publication ethics, research integrity, responsible scholarly practices, and bioethics in healthcare.

The programme is designed to help faculty members, researchers, scholars, and academic professionals strengthen their understanding of ethical principles that underpin responsible research and publication.

ABOUT LNCT University

LNCT University, Bhopal, is a multidisciplinary private university established by the Government of Madhya Pradesh. Recognized by the University Grants Commission (UGC), the University offers programmes across Engineering, Management, Pharmacy, Medical Sciences, Law, Agriculture, Nursing and other disciplines. Its professional programmes receive relevant statutory approvals, including Pharmacy Council of India (PCI) and Bar Council of India (BCI) approvals.

LNCT University also participates in the National Institutional Ranking Framework (NIRF) and has received several national awards and recognitions for academic excellence, innovation and education.

ABOUT IMPARC

IMPARC (Ignited Minds Professional & Academic Research Consortium) is a global academic and professional network fostering research, innovation, knowledge exchange and institutional collaboration. With 600+ mentors globally and 20+ institutional collaborations, IMPARC connects academicians, researchers, industry professionals and experts through conferences, FDPs, seminars, workshops and research initiatives. It promotes responsible research, interdisciplinary engagement, academic networking and professional development, contributing to a stronger and more connected global academic ecosystem.

PROGRAMME HIGHLIGHTS

- ◆ Research Publication & Ethics
- ◆ Responsible Research Practices
- ◆ High-Impact Publishing
- ◆ Publication Ethics
- ◆ Research Integrity
- ◆ Bioethics in Healthcare
- ◆ Ethical Decision-Making
- ◆ Expert-Led Academic Sessions
- ◆ Interactive Online Learning

WHY ATTEND?

- ◆ Learn from distinguished academic experts
- ◆ Strengthen your understanding of research ethics
- ◆ Improve awareness of responsible publication practices
- ◆ Understand the importance of research integrity
- ◆ Explore ethical dimensions of healthcare
- ◆ Enhance your academic and professional development
- ◆ Participate in a focused 3-day online Faculty development programme

RESOURCE PERSONS

20th
August

COE, LNCT University

3-DAY PROGRAMME SCHEDULE

DAY 1 - 20 August 2026

Research Publication and Ethics: From Responsible Research to High-Impact Publishing

Time: 3:00 PM – 4:00 PM IST

Expert Speaker

Dr. Sukhes Mukherjee

PhD (Clinical Biochemistry) (AIMS), FRSM, FRSB, MAMS, FAScT

Professor, Department of Biochemistry, All India Institute of Medical Sciences, Bhopal, Madhya Pradesh, India

Session Focus:

Understanding responsible research practices and ethical considerations in scholarly publication, with emphasis on progressing from responsible research to high-impact publishing.

DAY 2 - 21 August 2026

Publication Ethics and Research Integrity

Time: 3:00 PM – 4:00 PM IST

Expert Speaker

Dr. Chandan Sahi, PhD

Department of Biological Sciences, Indian Institute of Science Education and Research, Bhopal, Madhya Pradesh, India

Session Focus:

Exploring the principles of publication ethics and research integrity essential for maintaining credibility, transparency, and trust in academic research.

DAY 3 - 22 August 2026

Publication Ethics and Research Integrity

Time: 3:00 PM – 4:00 PM IST

Expert Speaker

Dr. Hem Chandra Jha, PhD, FRSB

Professor & Ramanujan Fellow, Fellow of the Royal Society of Biology, Mehta Family School of Biosciences and Biomedical Engineering, Infection Bio-engineering Group, IIT Indore, Madhya Pradesh, India

Session Focus:

Understanding the role and significance of bioethical principles in healthcare and related academic and research contexts.

EXPECTED OUTCOMES

At the end of the programme, participants are expected to have a better understanding of:

Responsible Research → Ethical Publication → Research Integrity → Bioethical Decision-Making

The programme will encourage participants to incorporate ethical and responsible principles into their academic, research, publication, and professional practices.

CERTIFICATE

Certificate of Participation will be provided to participants upon fulfilling the programme requirements.

Certificate details and eligibility may be specified by the organising institution.
