

L.N. MEDICAL COLLEGE & RESEARCH CENTRE, KOLAR ROAD, BHOPAL
CLINICAL POSTING, 2ND MBBS(3RD AND 4TH SEMESTER, ADMISSION BATCH 2019)
WEF 1/2/2021 AS PER NEW NMC GUIDELINES

| Department → | Medicine | Surgery | Obs/Gynae |
|--------------|---|---|---|
| Date ↓ | | | |
| Batch → | A | B | C |
| 01.02.2021 | IM 1.1 Take history and understand the symptomatology of cardio vascular diseases (SGD / Bed side clinics) | SU 1.1 Communication with the patients (SGD / Bed side clinics) | OG 6.1 Describe, discuss and demonstrate the clinical features of pregnancy, derive and discuss its differential diagnosis, elaborate the principles underlying and interpret pregnancy tests. (SGD / Bed side clinics) |
| 02.02.2021. | IM 1.2 Take history and understand the symptomatology of respiratory diseases (SGD / Bed side clinics) | SU 1.2 General history taking (SGD / Bed side clinics) | OG 6.1 Describe, discuss and demonstrate the clinical features of pregnancy, derive and discuss its differential diagnosis, elaborate the principles underlying and interpret pregnancy tests. (SGD / Bed side clinics) |
| 03.02.2021 | IM 1.3 Take history and understand the symptomatology of gastrointestinal / abdominal diseases (SGD / Bed side clinics) | SU 1.3 Surgery specific history taking (pain, swelling, ulcer, discharge, deformity) (SGD / Bed side clinics) | OG 8.2 , 35.5 Elicit document and present an obstetric history including menstrual history, last menstrual period, previous obstetric history, |

| | | | |
|-------------------|---|---|--|
| | | | comorbid conditions, past medical history and surgical history Determine gestational age, EDD and obstetric formula (SGD / Bed side clinics) |
| 04.02.2021 | IM 1.4 Take history and understand the symptomatology of neurological diseases (SGD / Bed side clinics) | SU 1.4 Making a provisional diagnosis based on history (SGD / Bed side clinics) | OG 8.2 , 35.5 Elicit document and present an obstetric history including menstrual history, last menstrual period, previous obstetric history, comorbid conditions, past medical history and surgical history Determine gestational age, EDD and obstetric formula (SGD / Bed side clinics) |
| 05.02.2021 | IM 1.5 Take history and understand the symptomatology of renal and urinary tract disorders (SGD / Bed side clinics) | SU 2.1 General physical examination (Bed side clinics) | OG 14.1 Enumerate and discuss the diameters of maternal pelvis and types (SGD) |
| 06.02.2021 | Saturday | | |
| 07.02.2021 | Sunday | | |
| 08.02.2021 | IM 1.6 Take history and understand the symptomatology of rheumatological disorders (SGD / Bed side clinics) | SU 2.2 Systemic examination (CVS,CNS, R/S, P/A) (Bed side clinics) | OG 14.1 Enumerate and discuss the diameters of maternal pelvis and types (SGD) |
| 09.02.2021 | IM 1.7 Take history and understand the symptomatology of endocrine disorders (SGD / Bed side clinics) | SU 2.3 Local examination (Bed side clinics) | OG 19.1 Describe and discuss the physiology of puerperium, its complications, diagnosis and |

| | | | |
|-------------------|---|---|---|
| | | | management; counselling for contraception, puerperal sterilization (SGD / Bed side clinics) |
| 10.02.2021 | IM 1.8 Take history and understand the symptomatology of hematological disorders (SGD / Bed side clinics) | SU 2.4 Per rectal and genital examination (Bed side clinics) | OG 19.1 Describe and discuss the physiology of puerperium, its complications, diagnosis and management; counselling for contraception, puerperal sterilization (SGD / Bed side clinics) |
| 11.02.2021 | IM 1.9 Make differential diagnosis on the basis of history (SGD / Bed side clinics) | SU 3.1 Provisional Diagnosis on the basis of history (SGD/Bed side clinics) | OG 35.1 Demonstrate the correct use of appropriate universal precautions for self-protection against HIV and hepatitis and counsel patients (SGD / Bed side clinics) |
| 12.02.2021 | IM 2.1.1 General physical examination including vital signs (Bed side clinics) | SU3.2 Provisional Diagnosis on the basis of clinical examination (SGD/Bed side clinics) | OG 35.1 Demonstrate the correct use of appropriate universal precautions for self-protection against HIV and hepatitis and counsel patients (SGD / Bed side clinics) |
| 13.02.2021 | Saturday | | |
| 14.02.2021 | Sunday | | |
| 15.02.2021 | IM 2.1.2 General physical examination (Bed side clinics) | SU 3.4 Differential diagnosis (SGD/Bed side clinics) | OG 8.3 Describe, demonstrate, document and perform an obstetrical examination including a general and abdominal examination and clinical monitoring of maternal and fetal well-being |

| | | | |
|----------------|---|---|---|
| | | | Bed side clinics / DOPS |
| 16.02.2021 | IM 2.1.1 General physical examination including vital signs (Bed side clinics) | SU 4.1 Routine investigation (hematological, biochemical, radiological) (SGD/Bed side clinics) | OG 8.3 Describe, demonstrate, document and perform an obstetrical examination including a general and abdominal examination and clinical monitoring of maternal and fetal well-being Bed side clinics / DOPS |
| Batch → | B | C | A |
| 17.02.2021 | IM 1.1 Take history and understand the symptomatology of cardio vascular diseases (SGD / Bed side clinics) | SU 1.1 Communication with the patients (SGD / Bed side clinics) | OG 6.1 Describe, discuss and demonstrate the clinical features of pregnancy, derive and discuss its differential diagnosis, elaborate the principles underlying and interpret pregnancy tests. (SGD / Bed side clinics) |
| 18.02.2021 | IM 1.2 Take history and understand the symptomatology of respiratory diseases (SGD / Bed side clinics) | SU 1.2 General history taking (SGD / Bed side clinics) | OG 6.1 Describe, discuss and demonstrate the clinical features of pregnancy, derive and discuss its differential diagnosis, elaborate the principles underlying and interpret pregnancy tests. (SGD / Bed side clinics) |
| 19.02.2021 | IM 1.3 Take history and understand the symptomatology of gastrointestinal / abdominal diseases (SGD / Bed side clinics) | SU 1.3 Surgery specific history taking (pain, swelling, ulcer, discharge, deformity) (SGD / Bed side clinics) | OG 8.2 , 35.5 Elicit document and present an obstetric history including menstrual history, last menstrual period, previous obstetric history, comorbid conditions, past medical history and surgical history Determine gestational age, EDD and |

| | | | |
|------------|---|---|--|
| | | | obstetric formula (SGD / Bed side clinics) |
| 20.02.2021 | Saturday | | |
| 21.02.2021 | Sunday | | |
| 22.02.2021 | <p>IM 1.4 Take history and understand the symptomatology of neurological diseases (SGD / Bed side clinics)</p> | <p>SU 1.4 Making a provisional diagnosis based on history (SGD / Bed side clinics)</p> | <p>OG 8.2 , 35.5 Elicit document and present an obstetric history including menstrual history, last menstrual period, previous obstetric history, comorbid conditions, past medical history and surgical history</p> <p>Determine gestational age, EDD and obstetric formula (SGD / Bed side clinics)</p> |
| 23.02.2021 | <p>IM 1.5 Take history and understand the symptomatology of renal and urinary tract disorders (SGD / Bed side clinics)</p> | <p>SU 2.1 General physical examination (Bed side clinics)</p> | <p>OG 14.1 Enumerate and discuss the diameters of maternal pelvis and types (SGD)</p> |
| 24.02.2021 | <p>IM 1.6 Take history and understand the symptomatology of rheumatological disorders (SGD / Bed side clinics)</p> | <p>SU 2.2 Systemic examination (CVS,CNS, R/S, P/A) (Bed side clinics)</p> | <p>OG 14.1 Enumerate and discuss the diameters of maternal pelvis and types (SGD)</p> |
| 25.02.2021 | <p>IM 1.7 Take history and understand the symptomatology of endocrine disorders (SGD / Bed side clinics)</p> | <p>SU 2.3 Local examination (Bed side clinics)</p> | <p>OG 19.1 Describe and discuss the physiology of puerperium, its complications, diagnosis and management; counselling for contraception, puerperal</p> |

| | | | |

| | | | |
|----------------|--|---|--|
| 28.03.2021 | Sunday | | |
| 29.03.2021 | Holiday | | |
| 30.03.2021 | PY10.20 Demonstrate testing of visual acuity, colour and field of vision in volunteer/ simulated environment (DOAP) | EN 2.7 Demonstrate the correct technique of examination of neck including elicitation of laryngeal crepitus (DOAP Session, Bedside Clinic) | CM 3.6 , 3.7 Entomology (Demonstration , SGD) |
| 31.03.2021 | PY10.20 Demonstrate testing of visual acuity, colour and field of vision in volunteer/ simulated environment (DOAP) | EN 2.10 Identify and describe the use of common instruments used in ENT surgery (DOAP Session, Bedside Clinic) | CM 11.3 Occupational health (Demonstration , SGD) |
| 01.04.2021 | OP 2.1 Enumerate the causes, describe & discuss aetiology, clinical presentations and diagnostic features of common conditions of the lid and adnexa (SGD) | EN 2.11 Describe and identify by clinical examination malignant & pre-malignant ENT diseases (SGD , DEMO) | CM 5.2 Visit to NRC (Demonstration , SGD) |
| 02.04.2021 | Holiday | | |
| 03.04.2021 | Saturday | | |
| 04.04.2021 | Sunday | | |
| 05.04.2021 | OP 2.1 Enumerate the causes, describe & discuss aetiology, clinical presentations and diagnostic features of common conditions of the lid and adnexa (SGD) | EN 3.1 Observe and describe the indications for and steps involved in the performance of Otomicroscopic examination in a simulated environment (SGD , DEMO) | CM 5.7 Visit to milk Dairy |
| Batch → | B | C | A |
| 06.04.2021 | AN 41.1 Describe & demonstrate parts and layers of eyeball | EN 2.1 Elicit document and present an | CM 3.2 Chlorination, Visit to Water |

| | | | |
|------------|--|--|--|
| | (SGD) | appropriate history in a patient presenting with an ENT complaint (SGD , DEMO) | Treatment Plant |
| 07.04.2021 | OP1.3 Demonstrate the steps in performing the visual acuity assessment for distance vision, near vision, colour vision, the pin hole test and the menace and blink reflexes (DOAP) | EN 2.1 Demonstrate the correct use of a headlamp in the examination of the ear, nose and throat (DOAP Session, Bedside Clinic) | CM 5.6 ICDS Scheme, Visit to AWC (Demonstration , SGD) |
| 08.04.2021 | OP1.3 Demonstrate the steps in performing the visual acuity assessment for distance vision, near vision, colour vision, the pin hole test and the menace and blink reflexes (DOAP) | EN 2.3 Demonstrate the correct technique of examination of the ear including Otoscopy (DOAP Session, Bedside Clinic) | CM 5.1, 5.6 IYCF (Demonstration , SGD) |
| 09.04.2021 | OP1.3 Demonstrate the steps in performing the visual acuity assessment for distance vision, near vision, colour vision, the pin hole test and the menace and blink reflexes (DOAP) | EN 2.5 Demonstrate the correct technique of examination of the nose & paranasal sinuses including the use of nasal speculum (DOAP Session, Bedside Clinic) | CM 3.4 Safe sewage disposal Visit to STP |
| 10.04.2021 | Saturday | | |
| 11.04.2021 | Sunday | | |
| 12.04.2021 | PY10.20 Demonstrate testing of visual acuity, colour and field of vision in volunteer/ simulated environment (DOAP) | EN 2.6 Demonstrate the correct technique of examining the throat including the use of a tongue depressor (DOAP Session, Bedside Clinic) | CM 14.1, 14.2 , 14.3 Hospital waste management (Demonstration , SGD , Visit to hospital) |
| 13.04.2021 | PY10.20 Demonstrate testing of visual acuity, colour and field of vision in volunteer/ simulated | EN 2.7 Demonstrate the correct technique of examination of neck including | CM 3.6 , 3.7 Entomology (Demonstration , SGD) |

| | | | |

| 02.05.2021 | Sunday | | |
| 03.05.2021 | OP 2.1 Enumerate the causes, describe & discuss aetiology, clinical presentations and diagnostic features of common conditions of the lid and adnexa (SGD) | EN 2.1 Elicit document and present an appropriate history in a patient presenting with an ENT complaint (SGD , DEMO) | CM 5.7 Visit to milk Dairy |
| 04.05.2021 | OP 2.1 Enumerate the causes, describe & discuss aetiology, clinical presentations and diagnostic features of common conditions of the lid and adnexa (SGD) | EN 2.1 Elicit document and present an appropriate history in a patient presenting with an ENT complaint (SGD , DEMO) | CM 3.2 Chlorination, Visit to Water Treatment Plant |
| 05.05.2021 | AN 41.1 Describe & demonstrate parts and layers of eyeball (SGD) | EN 2.3 Demonstrate the correct technique of examination of the ear including Otoscopy (DOAP Session, Bedside Clinic) | CM 5.6 ICDS Scheme, Visit to AWC (Demonstration , SGD) |
| 06.05.2021 | AN 41.1 Describe & demonstrate parts and layers of eyeball (SGD) | EN 2.5 Demonstrate the correct technique of examination of the nose & | CM 5.1, 5.6 IYCF (Demonstration , SGD) |

| | | | |
|-------------------|---|--|---|
| | | paranasal sinuses including the use of nasal speculum (DOAP Session, Bedside Clinic) | |
| 07.05.2021 | OP1.3 Demonstrate the steps in performing the visual acuity assessment for distance vision, near vision, colour vision, the pin hole test and the menace and blink reflexes (DOAP) | EN 2.6 Demonstrate the correct technique of examining the throat including the use of a tongue depressor (DOAP Session, Bedside Clinic) | CM 3.4 Safe sewage disposal Visit to STP |
| DEPARTMENT | PAEDIATRICS | Pulm. Medicine | Skin & STD |
| Batch → | A | B | C |
| 08.05.2021 | Saturday | | |
| 09.05.2021 | Sunday | | |
| 10.05.2021 | PE 1.3 Discuss and describe the methods of assessment of growth including use of WHO and Indian National Standards. Enumerate the parameters used for assessment of physical growth in infants, children and adolescents. (SGD) | CT 1.16 Describe the appropriate precautions, screening, testing and indications for chemoprophylaxis for contacts and exposed health care workers (SGD) | AN 4.2 Describe the structure of skin and its appendages (SGD) |
| 11.05.2021 | PE 1.4 Perform anthropometric measurements, document in growth charts and interpret. | CT 1.1 Describe and discuss the epidemiology of tuberculosis and its impact on the work, life and economy of India (SGD) | AN 4.4 Describe modifications of deep fascia Primary and Secondary lesions of skin |

| | | | |
|-------------------|---|--|--|
| | (DOAP , Bedside clinics) | | (SGD) |
| 12.05.2021 | PE 2.2 Assessment of a child with failure to thrive including eliciting an appropriate history and examination. (Bed side clinics , OPD) | CT 1.2 Describe and discuss the microbiology of tubercle bacillus, mode of transmission, pathogenesis, clinical evolution and natural history of pulmonary and extra pulmonary forms (including lymph node, bone and CNS) (SGD) | History taking in Dermatology (DOAP , Clinics) |
| 13.05.2021 | PE 1.5 Define development and discuss the normal developmental milestones with respect to motor, behavior, social, adaptive and language. (SGD) | CT 1.18 Discuss and describe the impact of co-infection with HIV and other co-morbid conditions. Like diabetes on the natural history of tuberculosis (SGD) | Clinical examination of skin , nail, hair and mucosa (DOAP/Clinics) |
| 14.05.2021 | Holiday | | |
| 15.05.2021 | Saturday | | |
